Kiku Garden
Lumiere

Kiku Garden is an elegant, graphic, and highly decorative wallcovering design inspired by the art of Japan and Europe's enduring fascination with it.

It shares much in common with our Kiku wallcovering; the boldly rendered chrysanthemums, the block colouring but forgoes the crisp, screen-printed borders of the original. Resulting in a hugely versatile design that works beautifully in all manner of spaces.

Fromental wallcoverings are hand-made to order, tailored for each room. From supplied elevations and floor plan, we will place the design and panel seaming to ensure optimal installation.
