

FROMENTAL

Untitled I

Lumière

Taking inspiration from the dynamic works of Modernist painter Ben Nicholson, *Untitled I* presents forms of still life objects overlapping and interpenetrating, their simple lines introduce rhythm and movement across the surface.

The curvilinear forms rendered in fine pencil line add a deceptive simplicity to the composition.

Untitled I L006

Fromental wallcoverings are hand-made to order, tailored for each room. From supplied elevations and floor plan, we will place the design and panel seaming to ensure optimal installation.

Technical Information

Material and Technique

Hand-painted on Papyri
