Bézier
Roomskins

Inspired by the kinetic sculptures of the early 1900s, our Bézier design is a stylish yet simple representation of abstract expressionism. A combination of embroidery and hand-painting, Bézier is available on either paper-backed silk or silk-linen mix: Faille. This combination of textures, geometric compositions and metallic shimmers evokes a subtle sense of movement.

Sophisticated and understated, Bézier provokes a Fifties nostalgia whilst simultaneously striking a graphic and contemporary look.
