How to Order

Fromental wallcoverings are hand-made to order. The designs within the Sophie Paterson Collection consist of a series of panel layouts which then repeat. Various example panel layouts for each design are available to fit different wall sizes.

Each design can be ordered as a straight run or tailored to fit by both trade and retail clients.

- **Straight-run**
Supplied as a series of joining panels. In order to calculate the number of panels required, simply specify the wall height and the perimeter of the walls to be covered.
- **Tailored**
We can also tailor the designs to each room. We will place the design and panel seaming to fit the space, ensure optimal installation taking care to avoid placing birds and butterflies or other major design element within wall corners or on panel seams. We will submit a miniature design layout for client approval prior production.

This service carries a tailoring fee between 10-30% depending on complexity.
