

The image shows a decorative wall panel with a pond scene. The background is a light, textured grey. The scene is filled with large, green lotus leaves of various sizes, some with prominent veins. Several koi fish are swimming: a blue one at the top right, a yellow one in the center, and a red one at the bottom right. A large, pale, textured moon is visible on the right side. In the foreground, there are three vases: a tall, slender silver one, a small dark green one, and a larger dark green one. The overall style is modern and artistic.

Koi ponds have long been symbols of repose and good fortune. Within the composition carp move languidly amongst floating lotus leaves, a serene moon is reflected as the focal point of the design.
