

FROM ENTAL

Roxy Mountain

Modern Chinois

Roxy Mountain, a scholar's landscape, combines the conventions of the hanging scroll with those of the hand-scroll. These are to be viewed and understood in two very distinct fashions; one conveys a grander vista, while the other, sequential and panoramic, invites a more intimate viewing.

The lyrical subtlety of this landscape is rendered in gentle hues onto silk organza by our Master Artist.

Roxy Mountain F027

Fromental wallcoverings are hand-made to order, tailored for each room. From supplied elevations and floor plan, we will place the design and panel seaming to ensure optimal installation.
