

FROMENTAL

Prunus
Modern Chinois

Prunus draws on the deep history of traditional plum blossom painting. The blossoming of the plum trees amongst winter snows expresses a rich and otherworldly beauty.

A combination of painted and hand-embroidered blossoms on silk, Prunus is the ultimate statement of refined beauty.

This exquisite splendour is captured when our dynamic 'unconscious' painting style is combined with the vivid lustre of the hand-embroidered silk threads. The artful painting technique uses gestural and fluid brushstrokes giving the design a soft and graceful finish.
