Derby is a monumental scaled equestrian design featuring the fragmented pattern of horses running at different intervals. It captures the nuance and artists hand with subtle shading and muscle tones of the moving horses giving the impression of a modern day carousel.

Application: hallways, studies, children's spaces, powder rooms and any space that requires whimsy and studied architecture of horses.

Ground Options:

Nacre: Paper substrate with hand-brushed metallic glaze striation.

Cartridge Paper: Matte white archival paper with subtle texture.

Ground Options

Nacre: paper substrate with hand-brushed metallic glaze striation.
