

FROMENTAL

Goldoni
Velvets

The urban city scape is brought to life through the cotton and silk embroidery of our Goldoni wallcovering; Textural motifs allude to blinking lights whilst vertical intersections signify the skyscrapers that dominate so many current landscapes.

Hand-stitched tufts add further touches of colour and detail. The composition and colour evoke the crisp clear shapes of a twilit city scape.

Goldoni V010

Fromental wallcoverings are hand-made to order, tailored for each room. From supplied elevations and floor plan, we will place the design and panel seaming to ensure optimal installation.

Technical Information

Material and Technique

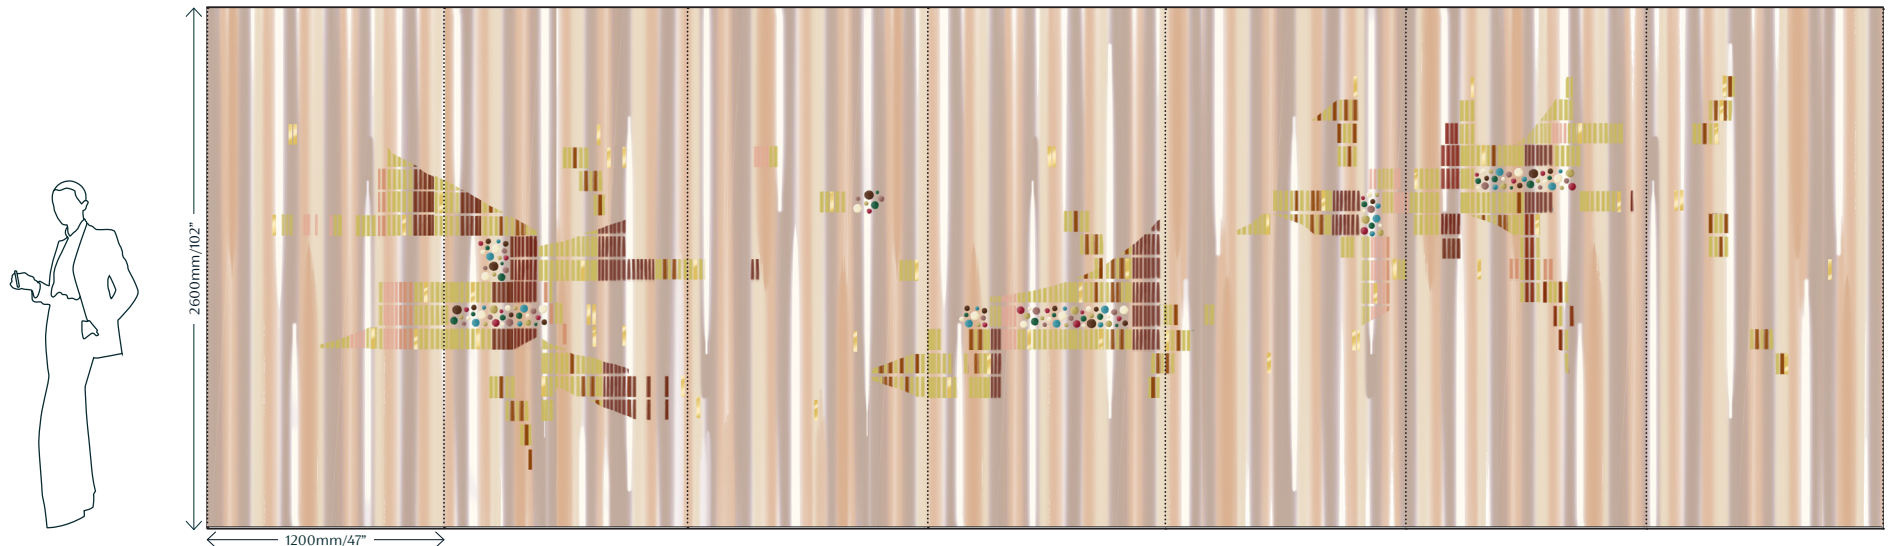

Hand-painted and hand-embellished onto paper-backed velvet.

This is our standard Goldoni layout. The processes and techniques used to make this can be applied to create a custom layout
